विलोम , पर्यायवाची शब्द, मीठू और कौरा -
चित्रकथा, चार दोस्त (रीड अलौड)

Book Buzz

Reading skills are important for the success of their future.

This month students enjoyed reading the book 'The Gingerbread Man', a folktale about a gingerbread man's escape from various pursuers. This irresistible retelling of the Gingerbread Man by **Jim Aylesworth** illustrated by **Barbara McClintock**. It's a perfect treat for cookie lovers everywhere. Students also enjoyed the story and made different puppets based on the characters from the plot that captured the children's imagination, encouraging their love for reading.

LAR- NOUNS- GALLERY/ NATURE WALK.

Learning can happen visually too.

This is apt with the learning of the concept of Nouns. The topic was initiated by pairing the students and taking them for a nature walk. Students were asked to observe and identify things around them. They were also encouraged to make a list of five things which they saw and later the teacher reiterated them in the class.

Students learned and enjoyed doing it.

Beyond Classroom

Planting Saplings on World Environment Day.

This month on June 5th we celebrated the **World Environment Day**. Children learnt the importance of nature and measures taken to protect our Earth. Children planted the saplings and thereby educated everyone to "go green". This helped the students to learn as well as preach others to save our Earth.

Special Assembly

School assembly is conducted with complete and active participation of students. This month's special assembly was on **International Yoga Day** and students participated actively. They learnt the importance of Yoga which helped them spread the message **Do Yoga, Be Fit and Healthy.**

Word Wall

Word Wall

A word wall is a collection of vocabulary which is displayed in large visible letters on a bulletin board in the classroom. It is designed to be an interactive tool for students that contains an array of words used in reading and writing of that month's portion .

Special Events: Dad's Day

Dad's day:

This was one of the fun filled activities for all the dads. Fathers were enthusiastic to participate in the activities along with their children. Children were double happy with their fathers at school. Lot of activities planned for the day made the day a happy one for the kids and their dads.

Parent Support

Parent support is extremely important in the child's formative years. We request you to spend a lot of quality time with your child. We also would request you to read story books or newspapers to them on a regular basis. This would not only augment knowledge of their surroundings but also give them some confidence to participate in discussions related to current affairs.

See You Next Time
