Special Assembly on 05-06-2018-World Environment Day

16-06-2018-Ramzan

Investiture Ceremony on 30-06-2018

Important Dates / Holidays

Ramzan – 16.06.2018

Special Assembly

Eid, popularly known as Eid-ul-Fitr, is celebrated to mark the end of the Ramzan month. On Thursday special assembly was organized in school to celebrate the festival of Eid with the children. Videos on the importance of fasting, sharing and abstaining from everything evil were played for the students. The choir team gave a wonderful song that was a treat for our ears. The assembly ended with an inspiring speech by our beloved Principal Ma'am.

Book Buzz

Children swarm to library in search of their loyal friend. They enjoyed reading 'Famous Five' series by Enid Blyton. Enid Blyton is the most famous children's author.

Blyton's books are still enormously popular and have been translated into 90 languages. She wrote on a wide range of topics including education, natural history, fantasy, mystery and biblical narratives.

The original 21 famous five books featured George, Julian, Dick, Anne and their dog Timmy. The books were about adult free outdoor holidays where the five solve the mysteries.

Classroom Scoop

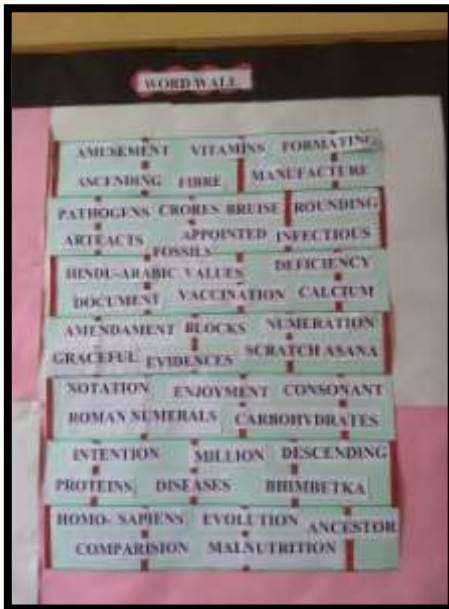

Science activity on "Germination of seeds" was conducted in the class. Children actively participated in the activity. The kidney beans were soaked overnight and the structure of the seed and the cotyledon was studied.

Beyond Classroom

On account of International Day of Yoga on June 21, yoga sessions were organized in school with the mass number of students participating. Importance of yoga was first explained to the students followed by 'Asanas' that gives both inner and outward strengths to students. It was a splendid sight to see the entire auditorium filled with students performing different 'Asanas' together.

Word Wall

Words are very important in framing sentences. A word wall is a collection of words which are displayed in large visible letters on a wall, bulletin board, or other display surface in a classroom. The word wall is designed to be an interactive tool for students and contains an array of words that can be used during writing and reading.

Parent Support

We try our level best in imparting knowledge and inculcating values. We are focused on creating a nurturing environment that supports a love of learning. We encourage, support and guide our students in the principles of Respect, Responsibility, Peace and Problem Solving. We ask our parents to make time to encourage reading every day at home; spending just 20 minutes a day reading can have a huge impact on your child's reading ability and comprehension skills. Reading is the foundation in all subject areas.
