Computer: Revision of Level V

Music: Country road top of the world, Carnatic vocal exercise and Shloka chanting

Yoga: suryanamaskara and meditation

Art: Poster making

Life Skills: Self awareness

Special Assembly

A day begun with good thoughts helps to set the mood of optimism throughout the day. On this note, there was an assembly conducted by students of Grade 6, on the topic – “The International Day of Yoga”. The students brought forward the many dimensions of the yogic practice and also demonstrated a few yogasanas which could be beneficial to people of all ages. The session was an interesting one to one and all.

Book Buzz

Charlie and the Chocolate Factory is a 1964 children's novel by British author Roald Dahl. The story features the adventures of young Charlie Bucket inside the chocolate factory of eccentric chocolatier Willy Wonka. The story was originally inspired by Roald Dahl's experience of chocolate companies during his school days.

Classroom Scoop

Practical ways of learning helps the students to retain the learnt concepts better. On this note, students of grade 6 were shown an experiment (as a part of the Chemistry curriculum) titled “Fire-Resistant Property of Fibre”. During this experiment, the teacher brought the various kinds of fibre like cotton, silk, wool, acrylic, nylon and polyester near a burning flame and helped the students to observe the net effect of each such burn.

Beyond Classroom

The students participated in a 'Swachh Bharat' campaign in school in order to spread awareness on the necessity to keep our surroundings clean. This was done through various activities like poster making, badge making and campaigns in the classes among others. It proved to be an enriching experience for all the participants.

Word Wall

Word wall is an excellent tool that could be used to improve and enhance one's vocabulary. The words included in the Word wall would help to reiterate the necessity to understand and use the given words in the right context. The tool served its purpose during the month and helped the students to familiarize themselves with the words.

Parent Support

The best gift a parent can give to their child is their support. Parents must encourage their children to read a variety of books with a moral which goes a long way in inculcating values and improving their comprehension and communication skills.

We have begun with the year's mega event- "The Rally for Rivers". The theme is specially taken to address the problems of water shortage and pollution. Do encourage your wards with enthusiasm.

See You Next Time
