Book Buzz

The Berenstain Bears' Class trip by Jan and Mike Berenstain was the book of the month for the little ones of Prep 1 in which brother bear is all set for the big class trip to a honey farm with mama bear, papa bear and sister bear in tow for the sweet ride. This book was a piece of informative learning as in it the students learnt about process of extracting honey and precautions to be taken before extracting honey. The story also talked the importance of honey and how it is helpful in keeping us fit and healthy to perform our day to day activities.

Classroom Scoop

As part of curriculum theme- 'my family and my neighbourhood', we have introduced the topic neighbourhood place 'Hotel/Restaurant'. Teacher has briefly explained about the roles and responsibility of the people who work in a hotel (chef, waiter, waitress, manager). Teacher has then organised a role play by setting up the restaurant atmosphere by (arranging table, plates, glasses, napkins, tissues, menu card etc.) and asked the children to portray the characters of manager, waiter, chef and customers. They were served with real foods such as chips, choccos, biscuits and made the children to understand the concept.

Beyond Classroom

As a part of curriculum activity for the topic 'school tour' the children were taken on a human train ride to see different areas of school. The teacher led the human train, stopping at common areas like library, computer lab, Montessori room etc. The learning objective of the activity was to get the children familiarized with the school environment.

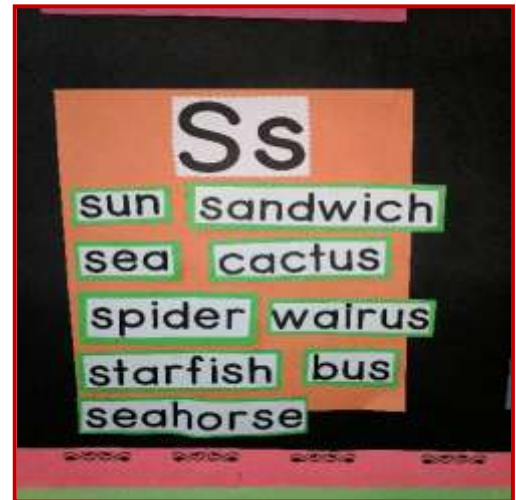

Word Wall

Word wall

The little ones were introduced to the stick and ball letter 'S'. They were taught to relate letters to pictures and further expand their language through different activities. The little children are now also taught to read single syllabic words using the alphabet that they have already learnt.

Reminders

Henceforth, we are welcoming the most colourful month July to perform handful fun activities with children.

This month will bring forth a lot of interesting activities for the children like

- Celebrating International Tiger Day
- Puppet show
- Food drive

Parent Support

Together let us work towards a healthy learning environment for our little ones to create an interesting learning experience. Please make sure you read a lot of bed time story books to your child. Spend quality time with them to help them cope with their studies.

We need your support in helping your children to write. As always we look forward for your support and cooperation. Kindly ensure that the diary notes and the circulars of your ward are acknowledged on a daily basis.

MONTHLY SPECIAL EVENT

Father's day was celebrated on the 30th of June 2018 for prep 1. The day was celebrated with immense zeal and enthusiasm. The day started off with a special video dedicated to all the fathers followed by the group activities and individual activities where the children presented their masterpiece- a sketch of their father. The highlight of the day definitely was the talent show and the dance floor. Finally, the day ended with a token of love which was handed over to all the fathers. In all the day was a huge success.
