Dear Parents,

Greetings,

My name is Richa Mishra Jha and I am your ward's 3<sup>rd</sup> grade class teacher. It's that time of the year when students are back to school and our campus is once more abuzz. I love third grade and all the exploring, learning and the fun that we get to have together. I have a Post Graduate Diploma in Rural Development and a Bachelor's degree in Education and love to teach the subject. I like interacting with my students and the creativity with which they come up with enthalls me a lot. I like to inculcate this spirit of curiosity and learning in my kids.

We have lot of activities planned for the students. We will explore, create, learn and discover new things daily and have lot of fun doing all those. The PSBS team is looking forward to work with the wonderful kids.

We would also like to update you on what we aim to achieve through our curriculum in the teaching learning process.

## Languages-English

Our English curriculum exposes our students to a variety of literary genres and develops reading, writing, speaking, listening and critical thinking skills.

This helps the students to respond to literature in a way that reflects intelligent and thoughtful analysis. Vocabulary building skills are developed through the use of context clues and word structure which helps them gain mastery over the language.

**Grammar :** Revision of nouns, singular and plural, gender, articles ,pronouns, possession, paragraph writing.

**Novel :** Charlotte'sweb

**Prose:** The tale of peter rabbit , The Royal gift

**Poem:** The quarrel ,So Big

## Mathematics

The curriculum includes hands on, inquiry based activities that engage the students in using logic to solve the problems. Making comprehending concepts and computing them easier and relating Math to real life contexts generates a love for the subject.

### Math

1. Numbers up to 9999
2. Addition
3. Subtraction
4. Multiplication
5. Shapes
6. Patterns

## Science

To develop scientific literacy and to delve deeper into the subject, the students will be engaged in a multitude of experiments, projects and presentations which connect practical applications to learned concepts. This will help them to think critically about an issue and come out with potential solutions for them.

### Science

1. Living and non living things
2. Parts of a plant
3. What do animals eat?
4. Birds
5. Insects
6. Human body

## Social Studies

We at Presidency believe in making our students strong readers and thinkers. We hope to achieve this by teaching our students to be well informed and to make rational decisions for the public good. The curriculum includes activities, projects audio-visual sessions and field trips apart from regular teaching sessions to help churn out responsible future citizens.

1. Changes in The Family
2. Changes in The Neighborhood
3. Safety first - At Home and In School
4. Being safe outside
5. Understanding time
6. Heritage of India
7. Our National Symbols
8. Solar System and Us

## Life Skills

**In the realms of Personal and Social responsibility we will learn the values of Perseverance and Integrity.** These values will help children connect choices, actions and consequences to ethical decision making. Values are strongly embedded in the curriculum to give them a sense of what is right and what is not. **The session includes.**

1. Patience
2. Courage
3. Punctuality

## Computer Science

The curriculum has been scaled to meet the ever changing nature of the subject and make it an engaging and interesting experience for the learners. It helps to develop foundational skills in Computer Science, learn various programming language, foster creativity and communication.

## Computer Science

Revision of level II  
Step- wise Thinking  
Storage Devices  
Introduction to Scratch

## Hindi

ಪಾಠ : ನಮ್ಮರಾಷ್ಟ್ರೀಯ ಪ್ರಾಣಿ, ಆರೋಗ್ಯ, ಒಗ್ಗಟ್ಟಿನಲ್ಲಿ  
ಬಲವಿದೆ.

ವ್ಯಾಕರಣ: ನಾಮಪದಗಳು, ಸರ್ವನಾಮಗಳು, ಲಿಂಗಗಳು,  
ವಚನಗಳು, ಕ್ರಿಯಾಪದಗಳು, ವಾಕ್ಯರಚನೆ.

**Assemblies-** World Environment day, World Blood Donor day, International day for Yoga, Positive attitude, Respect, Indigenous People day are some the themes taken for the general assemblies.

Assemblies are an important part of our school curriculum as it is the first step towards discipline, routine, information, team work and leadership. It has been meticulously planned to give out valuable information about current

affairs, to instill moral values and create positive vibrations for the day. The students will organize, prepare and present a topic every week on values like being responsible, using magic words, accepting differences, team work, compassion, forgiveness, excellence and patience this academic year. Special assemblies on World Environment Day, World Population Day etc helps them understand the magnitude of the problems and their responsibilities as citizens of the country. Festivals like Eid, Diwali, Christmas are also celebrated in the assemblies to give them greater insight into our rich and varied culture.

**Annual Day 2018 - "Rally for Rivers".**

We are delighted to announce that we are ready to launch yet another production in a mega event, our Annual Day for 2018, "Rally for Rivers" in the last week of August. In the wake of our fast depleting rivers, it's an attempt to create awareness about the urgent need to save our life giving rivers. They have nurtured life along their banks, and nourished the ecosystem for thousands of years. It's time for us to give back the life to them by taking a pledge to clean our beloved rivers. It will be a far cry from the former glory of these precious waters... But, we need to make sincere changes to our way of life to give a fresh lease of life to them.
