Dear Parent,

Greetings from Presidency School Bangalore South!

We trust that you and your family are safe and healthy. We hope that you are taking all the precautionary measures required at this time to keep your family and self adequately protected.

Given the challenges faced by us during last academic year, we must compliment the students and parents who have stood by us and ensured that student learning was not hampered. Your unstinted co-operation helped us to rise to the demands of the changed scenario that the Covid protocols mandated.

We have missed physically interacting with all our children at Presidency School Bangalore South and we hope this phase of the pandemic will pass soon. We look forward to the days when we can have all our students back at school. Our holistic and well thought-out curriculum, covers all the scholastic and non-scholastic subjects that your children need at the stages they are in. Under the guidance and tutelage of our experienced teaching staff, all our children are doing well and are enjoying their online classes.

We are proud to share that this year we have been exceptionally rewarded with some prestigious awards; **The Global Microsoft Showcase Award** and an award by the **Friendship Forum – Pride of Nation Award** for outstanding achievements & distinguished services to the nation in the field of educational excellence of highest repute. All this was possible due to your patronage and continuous support. With God's grace this year we have received the **top 50 most effective Principals** in the country 2021 in the leading magazine, Education Today. We have had some recognizable **winnings by our students**, in Blog writing Major Dhyan Chand Remembrance Award; SOF; Techathon, TCS, Spell bee; Musical events by Sawan; Heritage Art & Culture; Talent Hunt by Wonder Buddies; Yoga Championships; Center for Educational Development and Research and many more.
