CABINET ELECTION

"Leadership is the capacity to turn vision into reality." – Warren Bennis

Dear Parents,

Greetings from Presidency!

As we begin another exciting academic year, it is heartening to see our students return with renewed enthusiasm and energy after the summer break. The campus is once again buzzing with curiosity, learning, and a spirit of achievement.

June is celebrated as **Eco Month**, providing students with opportunities to develop environmental awareness, sustainability practices, and responsible citizenship. The month also features one of the most significant events in our school calendar—the **Student Cabinet Elections**, culminating in the **Investiture and Felicitation Ceremony**, where elected student leaders formally take on their responsibilities.

The School Cabinet is a democratically elected body that represents the voice of the student community. Through a fair and transparent election process, students elect leaders who demonstrate integrity, commitment, and service. The cabinet fosters leadership, communication, teamwork, decision-making, and accountability, helping students grow into responsible and confident individuals.

Student leaders play a vital role in supporting school initiatives, organizing events, promoting a positive school culture, and serving as a link between students and the school. As ambassadors of Presidency School, they are expected to uphold the values of the institution and inspire their peers through their conduct, dedication, and willingness to serve.
